Controlled-Access Store

Licensees are responsible to comply with all general retail terms and conditions; terms and conditions specific to the type of licence held; and any terms and conditions specific to the premises.

8.0 Controlled-Access Store

8.1

The licensee of a controlled-access cannabis store must ensure that only employees 19 years of age or older may be involved in the sale, handling or transportation of cannabis.

Security

8.2

The licensee of a controlled access-cannabis store that is located within larger premises which are not operated by the licensee must ensure that:

- a) commercial grade locks are installed on all exterior doors of the controlled-access cannabis store and the perimeter of the controlled-access store is secured in a manner that prevents unauthorized access; and
- b) a monitored security alarm system is in operation at all times that detects power outages, unauthorized entry to the controlled-access cannabis store and any attempts to tamper with the alarm system.

8.3

The licensee of a controlled-access store located within larger premises operated by the licensee must ensure that:

- a) commercial grade locks are installed on all exterior doors of the larger premises and the perimeter of the larger premises is secured in a manner that prevents unauthorized access;
- b) a monitored security alarm system is in operation at all times that detects power outages, unauthorized entry to the larger premises and any attempts to tamper with the alarm system; and
- c) the perimeter of all parts of the controlled-access cannabis store must be secured in a manner that prevents unauthorized access at all times when the controlled-access cannabis store is closed.

Sale of Cannabis

8.4

The licensee must ensure all cannabis packages and labels are stored behind a counter or behind shelving with covers that prevent persons from viewing them.

8.5

The licensee must ensure that all cannabis in the retail area of the cannabis store is kept in locked cases or containers that can be opened or accessed only by cannabis store employees.

8.6

The licensee must ensure that all cannabis in the cannabis store remains in the same unopened packaging as when it was delivered to the cannabis store.

8.7

The licensee must not allow the customer to view or access cannabis and cannabis packages until after the cannabis has been purchased.

8.8

The licensee must not display any promotional information respecting cannabis within the cannabis store except as stated in 8.9.

8.9

The licensee may post signs in the store that list the cannabis products offered for sale and the applicable price.

8.10

The licensee must ensure all cannabis purchases are concluded at the cannabis store before the customer leaves with the cannabis in their possession.
