THE LIQUOR, GAMING AND CANNABIS AUTHORITY OF MANITOBA

On April 1, 2022, the Liquor, Gaming and Cannabis Authority of Manitoba (LGCA) became the new regulator for horse racing in Manitoba. The LGCA is responsible to ensure that horse racing is conducted in a respectful, impartial and balanced manner, and in the public interest, through the regulation of horse racing and participants who are involved in the horse racing industry.

Recognizing that horse racing has an established history, the LGCA conducted formal consultations with the main stakeholder groups of Manitoba's horse racing industry in June 2019. The consultation findings were used to inform and guide the LGCA's development of a modern legislative framework for horse racing that focuses on streamlining administrative processes and removing burdensome regulatory requirements.

The rules of thoroughbred racing were revised considering this modern approach with a focus on safety in the horse racing industry. The current version reflects the updated rules finalized in April 2025. Changes from the previous version are highlighted in green.

Additional horse racing information including links to The Liquor, Gaming and Cannabis Control Act and regulations, application forms and contact information, are available on the LGCA's website at [LGCamb.ca](https://lgcamb.ca).

FAILURE TO OBJECT

- 6(17) Any jockey who is fouled and who fails to make a timely objection to the designated official, regardless of whether a steward's inquiry or an objection from another jockey has been posted on the tote board, may be penalized.

DISCIPLINARY ACTION

- 6(18) A jockey whose horse has committed a foul may be penalized or the stewards may, in their discretion, determine the jockey blameless.
- a) Where a jockey seeks to be held blameless by claiming the interference or incident for which their mount has been disqualified was the fault of their mount or any other cause beyond their control, and/or where a jockey presents a defense in any disciplinary review for a riding infraction by claiming the cause was the fault of their mount or any other cause beyond their control, the onus for proving the cause of the fault shall be on the jockey who must give credible evidence to support their allegations.

22(15) All claims must be made in writing, signed by the claimant or their authorized agent, and by the designated trainer, on forms and in envelopes approved by the LGCA.

- f) When deciding whether a form and/or envelope is filled out completely and accurately, the distinction between the use of upper or lower case letters shall not be taken into consideration in determining whether a claim is void or not, if the claim otherwise meets the criteria for a valid claim.

LOCATION OF CLAIM BOX

22(16) The claim box shall be located in the paddock area under the supervision of the paddock judge.

TIME TO DROP CLAIM

22(17) A claim in any race must be deposited in the claim box before the last horse has left the paddock for that race.

22(19) The paddock judge shall cause all claims to be delivered to the stewards before the running of each race.

CLAIM IRREVOCABLE

22(20) When a claim has been lodged it is irrevocable, and is at the risk of the claimant.

PROCEDURAL ERRORS

22(21) Any procedural errors by any person other than the claimant shall not automatically invalidate any claim; and the stewards may in their sole discretion invalidate the claim, or uphold the claim and penalize the person committing the procedural error or take any other steps as they deem necessary.

MULTIPLE CLAIMS

22(22) If more than one person shall enter a claim for the same horse, the disposition of the horse shall be decided by lot and drawn by one of the stewards or his appointee, and the person so determined to have the right of the claim shall become the owner of the horse.

HORSE MUST HAVE VALID START AND BE ELIGIBLE TO THE RACE TO BE CLAIMED

22(23) The horse must start in the race in which it was entered to be claimed.

TITLE TO CLAIMED HORSE

22(24) The title to a claimed horse shall vest in the successful claimant from the time the stall doors of a starting gate open in front of such horse, unless the stewards declare the horse is a non-starter by reason that it has had an invalid or unfair start or the stewards declare the race a no-contest.

- b) the previous owner, trainer or their representative shall witness the taking of the test and sign the test tag, but the failure of any person required by these rules or the Pari-Mutuel Betting Supervision Regulations to attend or witness shall not by itself invalidate the sample nor prevent the results derived from such test from being accepted as evidence of a positive test.

POSITIVE TEST

22(29) When a horse has been claimed or sold, and a urine or other test subsequently discloses that an improper medication or drug was administered and the stewards suspend such horse from racing, such suspension shall remain in effect until it is rescinded by the LGCA.

22(30) A successful claimant may at their option, revoke their claim upon receipt of notification of a positive test or of a ruling of the LGCA or the stewards that the claimed horse was ineligible to the race from which it was claimed, and may return the horse to the previous owner and recover their claiming monies and taxes in full, provided they shall exercise this option within three hours of receipt of notification of such positive test or ineligibility ruling.

VOIDED CLAIM

22(31) The claim shall be voided, and ownership of the horse retained by the original owner if:

- a) the horse dies on the racetrack; or
- b) the horse is euthanized before leaving the racetrack.

22(32) When a claim is declared void for any reason subsequent to a race and/or delivery to the successful claimant, the horse shall, subject to the discretionary powers of the LGCA or those conferred on the board of stewards under the rules, be returned to the original owner or an alternate successful claimant as determined by the stewards.

22(33) In the event there had been a drawing by lot to determine the successful claimant, all other claims from the said race for the same horse remain null and void. Subject to the discretionary powers of the LGCA and the stewards, when the stewards or LGCA rule a claim is invalid or void and the horse is returned to the original owner:

- a) the amount of the claiming price is to be repaid to the claimant;
- b) any purse monies earned subsequent to the date of the claim and before the date on which the claim is ruled invalid may be retained by the claimant; and
- c) the claimant shall be responsible for any reasonable costs incurred for the care, training or racing of the horse while it was in his possession, except where the claim was voided at the option of the claimant because the horse tested positive or because the claimed horse was ruled ineligible, in which case the previous owner shall be responsible to reimburse the claimant for his reasonable costs, and irrespective of any earnings of the horse during such keep.

RESTRICTIONS ON SALE OR TRANSFER

22(34) Subject to Rule 22(36), if a horse is claimed it shall not be sold or transferred to anyone in whole or in part, except in a claiming race, for a period of 30 days from the date of claim, nor shall it, unless reclaimed, remain in the same stable or under the control or management of its former owner or trainer for a like period, nor shall it be raced outside Manitoba until after the completion of the race meet from which it was claimed without the written permission of the stewards.

CLAIMS ARISING IN ANOTHER JURISDICTION
